Notes:

2010-13 Grand Total Circulation transactions as reported by member libraries in their State Annual Report.

2014 Grand Total Circulation transactions as reported to members by MHLS for their 2014 Annual Report.

Annual Report Note

Internal library usage should not be included within any circulation total

Circulation collected outside of Sierra should not be reported to the state

You should add circulation of electronic materials that are not within Sierra or Overdrive to your Circulation of Electronics Materials Number

Circulation of uncatalogued books should be reported in Adult or Childrens Other Materials

ILL items received from non-member libraries that have not been checked out using a dummy card should be added "ILL Received"
