**Notes**

- The Member Assessment is determined by combining a General Fee with assessments based on system holds activity and Sierra usage. Members have additional fees charged to them based on their usage of other MHLS services.
- Member Assessment Table is developed with a target figure of \$600,151 in mind, which may be adjusted based on State Aid and the overall state of the MHLS budget. Sierra Fees: General is still the lesser of the calculated Circulation Fee and Population Fee. General Fee is based on population and runs in quintiles, starting at \$600. **Holds Fee includes a subsidy from CLDA. This subsidy is reviewed annually and may not be available in future years.**
- Final 2016 Assessments include a \$7,500 Sierra hosting fee (server fees for off-site server operations). **This is an annual fee of \$30,000 for which the members currently only contribute \$5,000.**
- The 2016 Member Assessment also includes a reduction in the General Fee of \$20,000 due to an MHLS credit. **This credit is reviewed annually and may not be available in future years.**
