Meeting called to order by Chair Fortier at 10:05 am.

A. Action Items

1. Motion by Cook, seconded by Haar to accept the minutes of DA mtg May 5, 2016. PASSED.
2. Motion by Giraldo, seconded by Schoep, to accept recommendation of Resource Sharing Advisory Committee to move ahead to purchase Library Elf for all MHLS patrons. R. Drake explains drawbacks of Sierra's message service, eg, lack of text message capability and no opting out. Library Elf is a third party, opt in service. Beekman's patrons like the free version; Adriance uses pay /premium version which allows for family records linking and includes text messaging option. PASSED.
3. Motion by Cook, seconded by Giraldo to follow System Services Advisory Committee recommendation to fund year 1 of Library Elf from "Unassigned Funds". PASSED.
4. Motion by Scott-Childress, seconded by Cook that multi-disc DVD sets, such as for TV series, be cataloged with the itype of "Long Loan DVD" rather than DVD, to allow for a longer loan period. Because there is not a consistency in practice, when such sets travel between libraries, there can be odd and difficult loan periods. Pulice says this would not be suitable for high demand items,

and suggests amendment of motion to allow shorter loan period for high demand items. Moved as written. Does not pass.

Following consultation with [Robert's Rules of Order for Dummies](#), Pulice moves to amend motion, seconded by Conlin, as follows, that all multi-disc DVD series be cataloged with the itype of "Long Loan DVD" from here forward, with the exception of high demand items, defined as ratio of 5:1. PASSED.

5. Motion by Spann, seconded by Dittmar to add a Genre Facet to Encore searches just below the Subject Facet. R. Drake demonstrates how this will appear. PASSED
