Administration

**1. 2016 Annual Report for Public and Association Libraries**

- a. Each library is required to do an annual report online. All reports should be fully submitted by mid-February. The exact date has not yet been given to us by the state. When it is set I will post a message to the MHLS Directors Listserv.
- b. You will be submitting your report online, but won't be able to log in to do it until the state unlocks the software. I'll put out a message on the MHLS Directors Listserv when it is available.
- c. Hands-on Annual Report Workshops, designed for new Directors (and anyone else at your library who is new to working on the annual report) but open to all, are being held on January 24-26 at MHLS from 10am-12pm. Register through the MHLS online calendar.
- d. At <http://midhudson.org/topics/statistics-research/annual-report/> we are posting '**MHLS Tips for Member Libraries for Completing the 2016 Annual Report**'. There you will find some tips and information to help making the process of completing your 2016 annual report easier, regardless of how many times you have done the annual report. New tips will be added to this page as they are uncovered.
- e. MHLS will send each library an annual report packet of information including:
  - i. Sierra data for answering the questions regarding Library Collection, Library Use and Library Transactions that use data contained in Sierra.
  - ii. Financial info from the MHLS Business Office for funds that passed through MHLS.
  - iii. Website count if your library website is managed by MHLS.
  - iv. Wireless count if you have an Aerohive router.

Digital Collection Access

**2. OverDrive - Adult Fiction Holds at a High Level:**

- a. Each month MHLS generated usage statistics by library are posted on midhudson.org under Topics (or get there directly at <http://midhudson.org/topics/statistics-research/overdrive-usage-statistics-by-library>)
- b. There you will also see directions for some of the many reports you can run, including '**titles that patrons from your library are currently on the waiting list for**'. A reminder that adult fiction holds are building up to a high level, as currently, the [MHLS OverDrive Collection Development Guidelines](#) for the cost-share funds cannot be followed because it dictates a standard of new titles plus holds fulfillment that cannot be supported by the current funding. The remaining funds are being proportioned out by week in 2016, and (as per the guidelines) being used to buy new titles from the NYT fiction bestseller list, and applied as far as they stretch to reduce the fiction holds queue.
- c. At times you may want to put money on account with OverDrive, to spend on future purchases. You can do it yourself in OverDrive Marketplace. Instructions at <http://midhudson.org/topics/statistics-research/overdrive-usage-statistics-by-library/>

### 3. Zinio Renewals and New Title Additions - Due December 16:

- a. The MHLS eMagazine subscription renews on 1/1/2017 (collection at <http://tinyurl.com/mhls-emag> - powered by Zinio). County Chairs have received order forms to consolidate ordering by county. - b. Each month MHLS generated usage statistics, which are collected by library patron barcode range, are posted on midhudson.org under Topics (or get there directly at <http://midhudson.org/topics/statistics-research/zino-usage-statistics-by-library> )
- c. If you would like more access to the statistics (to see eMagazines your patrons have checked out in a specific time period, or who are the new patrons from your library who have registered with Zinio in a specific time period) contact me to schedule a 20 minute training session on the Zinio admin interface. We can do this over the phone.
- d. **New app delayed to 1<sup>st</sup> quarter of 2017** - Note that the release of the new app to access the eMagazines has been moved from December to the 1<sup>st</sup> quarter of 2017. **1. Injunction prevents new Overtime Rules from going into effect December 1, 2016**

- a. *“On November 22, 2016, U.S. District Court Judge Amos Mazzant granted an Emergency Motion for Preliminary Injunction and thereby enjoined the Department of Labor from implementing and enforcing the Overtime Final Rule on December 1, 2016. The case was heard in the United States District Court, Eastern District of Texas, Sherman Division (State of Nevada ET AL v. United States Department of Labor ET AL No: 4:16-CV-00731). The rule updated the standard salary level and provided a method to keep the salary level current to better effectuate Congress’s intent to exempt bona fide white collar workers from overtime protections.”* Source: U.S. Department of Labor
- b. **It is currently postponed until January 20, 2017** but information from Shari Fallon, PHR, SHRM-CP, a compensation consultant at Cornell University, indicates that president-elect Trump may permanently delay it.
- c. For more information: <https://www.dol.gov/featured/overtime>
- d. Please note: **even though the Federal minimum has been delayed New York State is still increasing the salary thresholds for employees who are entitled to be paid overtime** if they are authorized to work more than 40 hour a week, effective December 31, 2016. This applies to library directors and managers as well. Below is a chart of the proposed increases:

  - a. “This is to acknowledge with thanks the donation of the listed articles or goods to the \_\_\_\_\_ Library in the year 20\_\_ for the purpose of adding to the collection or otherwise further the advance of services to our community. No goods or services have been exchanged for this donation. Valuations of Gifts in Kind are the privilege and responsibility of the donor. As the total value of this gift is less than \$500 with no single item claimed at more than \$250, there is no need to itemize. Once again, thank you so much for thinking of our library.”
