

Memorandum of Understanding Between the Mid-Hudson Library System and Member Libraries

This memorandum sets forth the responsibilities and expectations of the Mid-Hudson Library System (“System”) and its member libraries (“Member Libraries”) in the cooperative provision of public library service to the residents of the Mid-Hudson Valley. To facilitate a strong cooperative approach to meeting mutual expectations for service, the following are understood by both the Member Libraries and the System.

Definitions

Mid-Hudson Library System: a cooperative public library system chartered by the New York State Board of Regents to serve Columbia, Dutchess, Greene, Putnam and Ulster Counties.

Member Library: association and public libraries chartered by the New York State Board of Regents who have been granted membership to the Mid-Hudson Library System by its board of trustees.

Directors Association: The Directors Association (DA) of the System is composed of the director or manager of each Member Library as defined by §90.8 of Commissioner’s Regulations. As per the DA bylaws, the purpose of the DA shall be to address the needs and concerns of member libraries; provide a forum for the exchange of ideas; encourage the dissemination of information in the field of library management; forward recommendations to the staff and board of MHLS on issues pertaining to the management of services provided by MHLS including, but not limited to, collective agreements and cost sharing for services.

Membership: A library's membership in the System grants access to all services outlined in this memorandum; a seat on the Directors Association; and one vote at the Annual Membership Meeting of the System.

MHLS Board of Trustees: The System board is elected by the membership to govern the System as per New York State Education Law and Education Commissioner's Regulations.

Resource Sharing Standards: These are the policies and procedures adopted by the DA to govern the effective sharing of resources.

Free Direct Access Plan: The Free Direct Access Plan (FDAP) is a State approved agreement between the Mid-Hudson Library System and the State Education Department's Division of Library Development of the New York State Library and is required by Commissioner's Regulations 90.3 (a) through (d)(4). This document reflects MHLS's commitment that no resident in the area served by MHLS will be excluded from direct or on-site access to the resources of any of the system's member libraries on the basis of age, cultural, economic or civic status. The document provides the process for member libraries to identify and place restrictions on excessive and unfair use of resources that have a negative impact on services a member library provides their resident borrowers.

The mission of the System is to uphold the public's right to free and equitable access to information and library resources, to facilitate cost-effective resource sharing, and to promote professional and inclusive library services in partnership with the Member Libraries.
