Good Morning,

I attended the virtual MHLS Board meeting on 3/21/20 as the DA representative. It was a very positive meeting. The trustees acknowledged notes they received from several directors commending the MHLS staff for their assistance and expertise. On behalf of the entire DA, I relayed our extreme appreciation of the unwavering support, communication, good humor, and guidance received from Rebekkah, Laurie, Casey, and the **entire** MHLS staff during the COVID-19 pandemic.

The trustees had no questions regarding the March DA meeting or the minutes from same.

Thank you,

Mary
